

"PRAISE-FEST"

Collingwood, Ontario Sunday August 28th, 2022

Why "Praise-Fest"?

- We have been doing "Learn To Read the Bible Effectively" seminars in Collingwood for 25 years.
- Half of our Ecclesial attended these seminars are now baptised members.
- One of those members (Brother Bob Venton) has experience with live productions and has always wanted to put on a "praise in the park" type of event.
- We were looking for another way to outreach and contact people in the local community.
- In recent years we have been giving away Bibles at a local park, and found this more effective than the typical 'handing out literature'.
- Then we got an idea from Australia....

Canterbury Ecclesia, Melbourne, Australia

- While visiting our son and his family in April of this year we had lunch with our long time friend and brother in Christ, James DiLiberto.
- He explained that the Canterbury Ecclesia had held some services in their parking lot during the pandemic, and found the public responded favourably.
- So they decided to have a pre-Easter event that included music, games and activities for kids, and of course an invitation to Bible addresses.
- They were going to advertise on Facebook, and focus on the local community.
- They had over 400 responses!
- This encouraged us to merge "praise in the park" with "free bibles in the park", and an idea was born.

The Process

- Lots of planning by a dedicated and determined group of Brothers and Sisters!
- Goals:
 - Share the Gospel message
 - Get the Christadelphain name more recognizable in Collingwood
 - Give glory to God and the Lord Jesus Christ
- Divide up the tasks according to people's interests and talents
 - Secure a location
 - Figure out advertising
 - Organize food
 - Organize games
 - Get Musicians!
 - etc

Advertising - print

- Flyer, posters, banner same theme for recognizability!
- Sister Heather designed the logo!!
- Thanks to Brother Jason Grant who took our ideas and came up with the Main concept.
- Also a double sided version for 'postcards' that were handed out and delivered via the local newspaper.

• On the discussion tab you can give a summary of the event, and invite those that showed interest in Praise Fest to the NEXT event ©

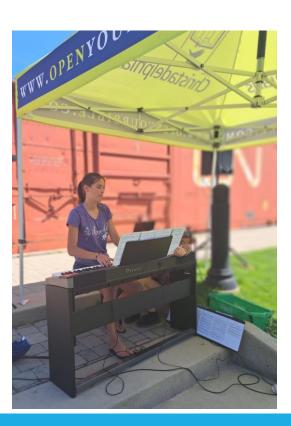

Activities on the day – The Music!

• We called it "Praise Fest" – the music had to be great – and it was!!!

Instrumentals are great for sing-a-longs!

And there's nothing like live performances to get the crowd pumped!

Activities on the day – The Free Bible Booth

- We had to send people home with the message of salvation!
- Each item given away had a Bible Reading companion, an invitation to our upcoming seminars, and info on how to get in contact with us.
- There were two tables:

Anything on this table could be taken for free right away

To 'win' the extra special prizes on this table you had to finish a 'bible challenge' to get a ticket to place in the jar!

Activities on the day – FOOD – gotta have food ©

- One of our members owns a local grocery store so he had experience and access to food (and generously donated it!!)
- We rented popcorn and candy floss making machines.

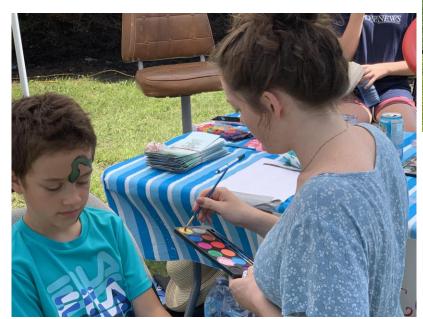

Activities on the day – Games, Face Painting and Crafts

- Keep the children busy and give them a reason to want to stay!
 - Then the parents stay too ©

Activities on the day – The Puppet Show

- Definitely a HIGHLIGHT of the day!
- Drew the crowds kept the kids interested.
- We had hourly 15 minute shows.
- Next year we will try to have 2 different shows for people who stay longer than 2 hours ©

Follow up!

- We thought it was important to not have Praise Fest as a 'one-and-done' event although the positive community response may have been a good thing on its own!
- So we plan to have 4 special talks in the coming months, and hold open discussion Bible seminars on the in between weeks.
- We gave out flyers during Praise Fest, handed out more in the weeks following, and had Facebook Events for each talk.
- Full flyer on next 2 slides.

HOPE

GOD HAS PROMISED:

- ✓ Eternal Life Romans 6:23
- ✓ An End to Pain and Suffering — Revelation 21:3-4
 - ✓ Peace Isaiah 2:1-4
- ✓ A Restored Earth Isaiah 35
- ✓ Righteous Rulership Psalm 72
- ✓ The Return of Jesus Acts 1:11

THIS EARTH?

"You have made them to be a kingdom and priests to serve our God, and they will reign on the earth." Revelation 5:10 See also Daniel 7:13-14,22,27.

> Do not be amazed at this, for a time is coming when

all who are in their graves will hear his voice and come out

— those who have done what is good will rise to live, and those who have done what is evil will rise to be condemned.

John 5:28-29

THE FUTURE? WHEN?

"I will gather all the nations to Jerusalem to fight against it... Then the LORD will go out and fight against those nations, as he fights on a day of battle. On that day his feet will stand on the Mount of Olives..." Zechariah 14:1-4

JESUS CHRIST IS RETURNING!

God has great plans for this earth! The alignment of Russia, Iran, Ethiopia & Turkey against Israel, are predicted in Ezekiel 38 and Daniel 11.

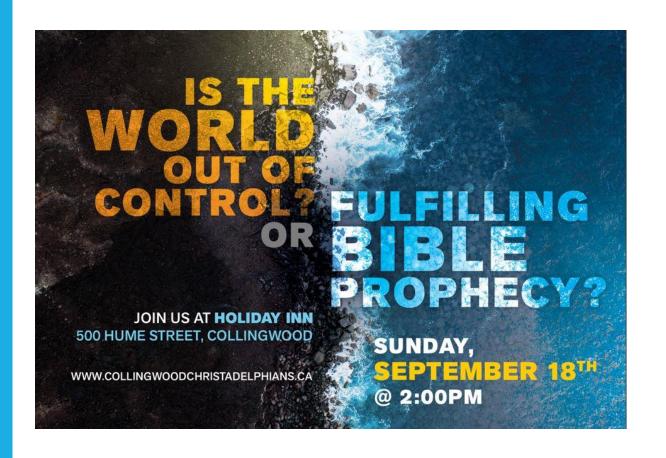

The unrest and and fear that we see today are a sign Jesus is about to return!

"Jerusalem will be trampled on by the Gentiles until the times of the Gentiles are fulfilled. There will be signs in the sun, moon and stars. On the earth, nations will be in anguish and perplexity... People will faint from terror, apprehensive of what is coming on the world...At that time they will see the Son of Man coming in a cloud with power and great glory.

When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near."

Luke 21:24-28

First Follow up talk as a Facebook Event!

Is the World Out of Control? Or Fulfilling Bible Prophecy?

Nuclear War. Russia's invasion of Ukraine. Global Warming. Are we heading for a catastrophe that will wipe life off this planet, or is God about to intervene to bring about His plan of restoration? Many of today's troubling events were predicted in the Bible thousands of years ago. However the Bible also says, "The Most High rules in the Kingdom of Men and sets up over it whoever He will." (Daniel 2:45)

Yes, there is more trouble ahead, but you can be confident that God is in control. **His plan is to 'fill this earth with His glory', and to 'wipe away all tears'.** Come and hear about the incredibly accurate prophecies being fulfilled which prove the Bible is a divinely inspired message of hope for mankind.

De-Briefing - Budget

- We had a debriefing meeting the Wednesday after Praise Fest.
- Here are some of our notes:

The Facebook Event and Ad seemed by far the most cost effective. Many people attending said they 'saw it on Facebook'. Look to do more online advertising next time! (other services?)

The radio ad was probably not worth the money, although we do know people heard it, and since it was on the local ClassicalFM station it hit a different demographic than FB

The Posters were good (maybe we could get fewer) and when put up in shops around town and left with a stack of postcards it was a very effective way to reach people!

Postcards were also good - but maybe distributing them through the newspaper was a bit costly. We could print less if necessary.

Overall, we felt this was a good first attempt, and although we went a little over budget, it was a good learning experience.

Note: The tri-fold flyer (\$300) was part of the next outreach effort, so the expense should not be counted with Praise Fest. BUT, we always need a follow-up from Praise Fest - we do not want it to be a 'one-and-done' event.

De-Briefing – what went well ©

Musicians were well prepared and want to do it again :-) Very professional!!

The puppet play was really well received - maybe have 2 plays for next year. Try to improve the sound - it wasn't terrible, but if we could link it into the sound system that would be great :-)

It was a great Ecclesial Project and so fun to work on together. Very much a team effort, and there was good team-building going on!

Great positive witness to the community. All the feedback from attendees (Christadelphians and visitors) was extremely positive.

Lots of Bible and materials handed out (about 50). Each had a Bible Reading companion, literature and an invitation to the upcoming Lecture series inside.

The carnival games were well received. We could probably make some ourselves that would work just fine (mini putt, bocce ball, bean bag toss,...)

The Craft Table was a HUGE success, and VERY cost effective! Need a bigger table and more shade next time!

The face painting was also very popular and cost effective!!

The 'raffle' draws were a great last minute idea. The books and bible were still free, but attendees had to complete a challenge (unscramble a verse, arrange the books of the bible in order or make a bookmark at the craft table) to get a ticket. This kept people around longer as they waited for the hourly draw. Also the more expensive books and bible could be used throughout the day instead of being 'first come first served'.

De-Briefing – What could be improved

Get the crowd involved more with the music.. Lyrics?

Christian karaoke or 'sing-a-long' songs (??)

Shade tent near stage so that the audience can be closer if it's sunny. Most of the crowd stayed back in the shade.

We should invest in our own canopy - like the one we borrowed from the Brantford Ecclesia.

The seminars could have been 'pushed' more - we had no one sign up on the day :-(

The washroom facilities were NOT good. The portable toilet was not clean. The township was notified after the event and apologized. We will be sure to fix this next time by either cleaning it ourselves, or getting another one just for that day.

We did talk again a bit about having some sort of "charity" to support.... Local Foodbank or AIA for example. One man volunteered to give \$5 to AIA because he was so impressed with the event!

One Last Story from Praise Fest

- One lady who was planning to come to Praise Fest (she had signed up on Facebook) came late because she had been fishing with her son and got a fish hook in her arm!
- Her son and daughter came to the Bible Booth asking if we knew where the walk-in clinic was.
- When we asked why they needed to know they told us about the fish hook!
- We took them to the hospital right away which unfortunately meant they missed Praise Fest.
- Afterward she thanked us profusely, contacted us via FB messenger and expressed interest in our services.
- Her children are aged 9 and 10, and she hopes to bring them out to Sunday School and maybe attend the seminars herself!!
