

## Focus Points

"Focus Points" are short activities that draw students into the lesson. They take only a few minutes to do. Many can be used as quick-start activities to engage the students and focus their attention at the beginning of class. Others may fit well during the lesson to reinforce a point and drive it home. Still others may serve as good wrap-up activities. "Focus Points" come in many forms. Choose and use them as you see fit.

### Focus Point – Paul's First Missionary Journey

- 1 – What do all of these names and places have in common? Circle the names of cities and countries. Underline the names of people.
- 2 – What book of the Bible refers to all of them?
- 3 – What back-to-back chapters in this book refer to all of them?
- 4 – Choose any three of the names and places in the list and write down one thing that you know about each of them.
- 5 – How many of the cities and countries can you locate without looking them up? Write them on the map below.
