

Lakefield Online Christadelphian Bible School

Monday, August 23rd to Saturday, August 28th, 2021

God willing, the Lakefield Christadelphian Bible School will be conducted online again this year. The committee has been working hard to put together a rewarding and spiritually fulfilling week that mirrors, wherever possible, the principles and programming we have delivered at Lakefield College, and at Brock University before that, for well over 30 years.

Bible schools are another small step we can all take to learn to live as God intends us to live: to gain understanding, to grow in faith, and to practice good works. These things are not beyond our reach, but they do require our dedicated effort and diligence.

This year's online programming includes:

- Daily classes from Monday, August 23rd to Friday, August 27th
 - Bro. Shawn Moynihan will lead classes for both the adults and young adults/teens
 - Adult topic: *"I am with you always"*
 - Teen topic: *'Salvation Stories'*
 - Bro. Mick Roberts will also lead classes for both the adults and young adults/teens
 - Adult topic: *"When Two Become One"*
 - Teen topic: *"The Book of Ruth"*
- Each day's programming will begin with a facilitated discussion of the daily Bible readings led by Bro. Martin Webster
- Programming to support children will be provided
- Evening programs are scheduled for Monday to Friday
- Bro. Matt Drywood will exhort during the Memorial Service on Wednesday evening
- An online Mary and Martha (aka Sisters') Tea will be held on Wednesday afternoon
- Opportunities for online informal gatherings and discussions will occur each day
- A young adults/teens open discussion and devotion is planned for each evening
- Saturday morning will start with the Bible readings, followed by the annual Business Meeting and closing comments

We believe this program will provide a very rewarding and spiritual opportunity for all those who attend. If you wish to register or find out more information about LCBS 2021, please go to lakefieldbibleschool.org. Registration will open on or before June 15th.

Please note that there is no charge to attend this year's Online Bible School, although donations are welcome.
